Our brief winter hiatus from Saturday workdays has now come to an end, and it is time to resume our workday schedule of the second Saturday of every month starting at 10:00 A.M. and ending about 3 P.M. Snacks and water will be provided in the workhouse, and there are many tools on hand, or you may bring your own from home. Most of us just find a niche where we are comfortable, be it raking, cutting, pruning or just sweeping debris from around the tombstones. There's always a lot of socializing and catching up. Everyone is welcome including children and grandchildren. Your donations pay for the grass cutting and tree trimming which must be done by a professional crew, but it still leaves lots of finishing touches to be done. Shrubbery has been purchased to landscape the work building on Fourth Avenue but the labor to install the shrubs will be done by our members. It is an ongoing labor of love. Hope to see you there on Saturday, March 11th.

Our annual plant sale will take place on April 22, 2017 at the cemetery. President Snipes will bring a canopy (open tent). Please call Jean Baldwin if you have another one you can bring as we might need it. This will be our 4<sup>th</sup> year and we have raised over \$1,000 for cemetery upkeep during the past three years. Please bring young plants from your gardens in any type of containers you have and label them with a piece of tape. All plant donations will be welcome, and we could use a few people to man the tents. It's really a lot of fun and we meet many of the neighbors who look forward to it each year. If you plan to come and help, bring a folding chair.

Saturday, May 13, is Remembrance Day. Bring a snack and a chair and visit with the other association members who are remembering their loved ones. If you have some old pictures or other memorabilia of your family members, we would love to put them in the scrap book. Our scrap book is filling up nicely, and it is so enjoyable to see the pictures, read old newspaper articles, and remember the Atlanta area where many of us grew up. It is worth a trip to see the old homes and bungaloes around East Lake, Kirkwood, and Decatur, which have been lovingly restored.
