The Work Day Schedule for the year 2018 begins this Saturday, March 10, from 10:00 AM, and ends about 3:00 PM. Work Days for the rest of the year will be the second Saturday of each month. As usual, water and snacks will be provided. You are welcome to bring snacks to share.

The professional lawn maintenance begins this month and your donations are needed to help pay for this service and other operating expenses.

Volunteers are needed for the routine maintenance, which includes trimming back the shrubbery, picking up tree limbs and dead flower arrangements. We look forward to your coming to help and bringing members of your family with you.

There is a huge amount of leaves around the cemetery this Spring. The Boy Scouts who have been helping us on the December Work Day were cancelled out due to the heavy snow that covered the leaves. A few from that group came and cut down some of the small trees and overgrowth along the western border of the cemetery. They presented us with photos of the beautiful snow covered cemetery. Check out our web site to see them.

We will also have a Remembrance Day on May 12th as well as a Work Day. This is like a “decoration day” where families place arrangements on the graves.
